

B1
wherein inner edges of said source and drain regions are aligned
with inner edges of said source and drain electrodes, respectively.--

REMARKS

New claims 21-40 have been added in this divisional application to complete the scope of applicants' protection. In this regard, it should be noted copending application Serial No. 08/776,709 is very relevant and the prior art cited in the '709 application has been cited in the Information Disclosure Statement submitted herewith.

Examination on the merits is requested.

Respectfully submitted,

Gerald J. Ferguson, Jr.
